Prepared for: Internal Use & Client Distribution

Our Website Packages

We offer two comprehensive packages tailored to different business needs:

1. Quick Website Package – *For businesses who need a fast, clean, and effective online presence.*

Package Description:

- Based on a pre-designed template (client selects from a catalog)
- Customization includes:
 - Logo placement
 - Text and content replacement
 - Photo replacement
 - Color adjustments
- Sections Included:
 - Home
 - About Us
 - Contact Us (with working form)
 - Google Map integration
 - Social media links
 - Basic animations/scroll effects (if available in the template)

Domain & Hosting:

- Free domain (1-year included)
- Hosting on our servers for 1 year
- After 1st year: **Hosting renewal: 100 KD/year**
- Option to use own hosting:
 - **Note:** No support will be provided if not hosted on our server.

Optional Add-Ons:

- **Business Email Services:**
 - **Microsoft 365 (Office Suite)** – 10-user license (price varies)
 - **AWS WorkMail (basic email)** – Cost-effective alternative

Provider	Description	Estimated Cost (Yearly)
Microsoft 365 complete package	10 users with Office apps & email	~480 KD/year (approx.)
Microsoft 365	10 users with basic work email only	~320 KD/year (approx.)
AWS WorkMail	10 users with basic work email only	~320 KD/year (approx.)

Timeline & Workload:

- Estimated delivery: **7 to 10 working days**
- Includes dedicated developer support for implementation

Price:

- **Total Estimated Package Price: 350 KD**

2. Custom Website Package – *For businesses seeking full branding and tailored functionality.*

Package Workflow:

1. **Logo Design** (3 Concepts)
2. **Branding Package**
 - Fonts, colors, visual language
 - Brand guideline PDF
3. **Domain Purchase**
 - .com / .kw / other (as per requirement)
4. **UI/UX Design**
 - Custom wireframes and mockups
 - Mobile + Desktop views
5. **Website Development**
 - Frontend: Angular / React / HTML5
 - Backend (optional): Node.js / Laravel / Firebase / Custom API
 - Responsive and SEO-ready design
6. **1-Year Hosting & Support**
 - Bug fixes

- Basic content updates
- Server monitoring

✂ Custom Features (Available on Request):

- Admin Panel
- Blog / News Section
- E-commerce Integration
- Chatbot / WhatsApp Button
- Payment Gateway

💰 Price:

- **Starting Price: 1000 KD**
- Final price based on complexity, features, and integrations

✓ Comparison Table

Feature	Quick Website	Custom Website
Design	Template-based	Fully Custom UI/UX
Logo	Client-provided	Designed by our team
Branding	No	Included
Domain	Included (1 year)	Included (Custom TLDs)
Hosting	Included (1 year)	Included (1 year)
Work Emails (Optional)	Microsoft / AWS	Microsoft / AWS
Timeline	7–10 working days	3–6 weeks (avg.)
Support	1-year basic support	1-year premium support
Technology	HTML/CSS	Angular / React / others
Starting Price	350 KD	From 1000 KD

✂ Notes:

- Support for domains, emails, and hosting renewal after the first year will be billed separately.
- A formal contract and proposal will be shared before project initiation.
